Dear Sir/Madam,

**Request for money instead of food**

We the above are writing this appeal to bring to your attention concerning the present condition on the welfare of the Asylum seekers of Am Triebweg 24, Hardheim. We are People from different parts of world with different beliefs and religions residing here for many years. We are thankful to you that you have provided us with all basic needs. Now we are free to live and practice our various religions which most of us were unable to perform in our various countries of birth.

The purpose of writing this is to inform you, despite our coming from different countries with different cultures and beliefs do experience the same problems at the asylum home (heim). We have learnt that in most asylum homes (Heims) across Germany and even our province Baden-Württemberg, people are getting money or at least "Gutschein" in place of food along with their pocket money (Taschengeld). Examples are asylum homes in Schwabisch Gmund, Stuttgart, Heidelberg and others in Baden-Württemberg. But in our case, we are getting substandard foods alongside with 134 euros per month which we receive twice in a month. These substandard foods are being given to us on Tuesday and Friday. We have come to notice that most of the food supplied to us are not good for our health. These food endangers our health when consumed.

We are collectively appealing that money be paid in place of food so that we could buy the type of food we so desire.

We had a meeting with the officials on the 21<sup>st</sup> February 2013 concerning our welfare they promised us to talk to the people concerned

We therefore, appeal to your honorable office to look into our situations in this heim.

Thank you.

Sincerely your's

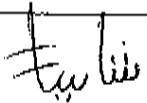

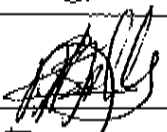

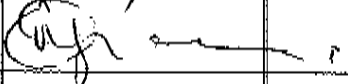

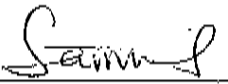

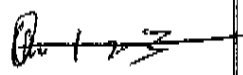

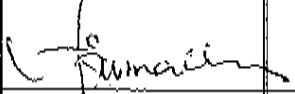

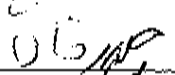

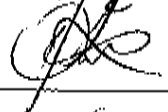

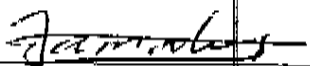

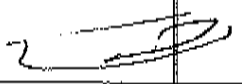

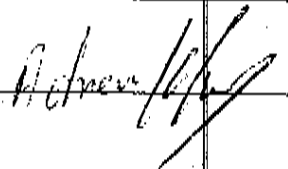

Residents of Asyl heim
